**Aberturas E Impasses (Portuguese Edition)** Paulo De Tarso Salles

Concluída em 1996, esta obra de Wilson Cano chega agora a sua terceira edição pela Editora Unesp. Concebido em 1970 como material didático para se contrapor à ideologização e alienação que o regime militar tentava impor ao país naquele período, em especial por meio dos cursos de Economia, o texto, instigante, atual e acessível a todos os tipos de leitor, procura desmistificar a idéia de que Economia é um assunto estritamente técnico e só pode ser compreendido por especialistas.
