**Forged in Ash (A Red-Hot SEALs Novel Book 2)** Trish McCallan

2015 RITA® Finalist for Romantic Suspense

Kait Winchester inherited a special gift from her Arapaho ancestors: she can heal with her touch. And there is no one she would like to get her hands on more than the super-sexy SEAL who seems determined to ignore their off-the-charts chemistry. When the wounded warrior finally seeks her help, she's ready to nurse him back to health...and into her bed.

Navy SEAL Lieutenant Marcus "Cosky" Simcosky is no stranger to hot water, but recent events have boiled over into one hell of a mess. His team is under investigation for a hostage rescue gone wrong, a crazy female stalker is on his trail, and the last few bullets he took just may sideline him for the rest of his career. The kicker? The one woman who can help him get back on his feet—and has haunted his fantasies for years—is his teammate's sister. He's looked but never touched. When his stalker targets Kait, though, Cosky will have no choice but to do whatever is necessary to keep her safe.
