This book is a touching compilation of personal accounts of the men who served in the 487th Bomb Group during World War II. These accounts exemplify the dedication and sacrifice these men made in the face of grave danger while serving their country during the largest 8th Air Force mission during the Battle of the Bulge. It's been 60 years since these men left a portion of their youth in various parts of Europe, but their words make it feel like WWII ended only yesterday. From humor to heartache, the reader runs the gamut of emotions when living vicariously through the stories of the brave men of the 487th Bomb Group - the Gentlemen From Hell.
