Spine Classifications and Severity Measures (AO Co-Publications)

Jens Chapman, Joseph Dettori

Spine Classifications and Severity Measures (AO Co-Publications) Jens Chapman, Joseph Dettori
Care of spinal conditions has become increasingly complex and confusing. Classification systems can help in understanding the subject matter at hand, but have exploded in numbers and complexity. Attempts at extracting classifications of spinal disorders are cumbersome and require careful study of numerous reference books without achieving a comprehensive overview in the end. This one of a kind reference text summarizes over 185 spine classification or severity measures with standardized art work, provides ratings and critical evaluations of pertinent strengths and weaknesses in a concise and systematic fashion.
