"I figured, being dead, my life would become a lot simpler. I wouldn't have to take care of myself or worry about stuff like eating the right food. But dead kids have a whole different bundle of problems."—Nathan Abercrombie

It's a stinky situation when Nathan's school, Belgosi Upper Elementary, develops a mold problem and his class is forced to share space with the first graders. Soon the eighth graders show up too, including Rodney the bully's older and meaner brother, Ridley. Could he be the reason for the stinky, putrid, rotten smell that seems to be following Nathan around? It's up to Nathan, Abigail, and Mookie to solve the mystery of the big stink before it pollutes the entire town.

Fans of David Lubar's popular Weenies short story collections, which have sold more than one and a half million copies, are sure to enjoy this fourth hilarious installment of the adventures of Nathan Abercrombie, Accidental Zombie.
