**The Minor Prophets** Charles L. Feinberg

*The Minor Prophets* is a collection of expositional essays on each of the twelve prophets. Dr. Feinberg's work illuminates the life, times, and major emphases of these men of God.

Dr. Feinberg brings to this work an unusual combination of talents and background. He has a thorough knowledge of biblical Hebrew, having trained for the rabbinate. That, combined with his scholarship in New Testament Greek, qualifies him for an expert study of the Scriptures in the original languages. In this work, he carefully presents his own views as well as dissenting views of other biblical scholars.

These studies include full treatment of the historical and cultural settings of each of the twelve prophets and their writings.
