Beautiful and deadly, the Lake Erie islands off the coast of Ohio have seen their fair share of disasters. The Victory Hotel on South Bass Island at Put-in-Bay was once the largest hotel in the nation. But the grand residence was reduced to ashes after a spark quickly became a raging, uncontrollable inferno. Reports of smallpox on Pelee Island resulted in mass hysteria and the quarantine of an entire island. At the Toledo Harbor Lighthouse, one light keeper was frozen in for days with his deceased colleague until he could make a desperate escape. Wendy Koile chronicles the fiercest calamities to shatter the tranquility of these solitary shores.
