Following the Reindeer Woman Linda Schierse Leonard

Drawing upon myths, dreams, stories, and film, bestselling author Linda Leonard explores the reindeer as an archetype of feminine energy and as a symbol that can inspire both men and women in their spiritual development and serve as an image of hope, peace, and harmony in the ecologically dark times in which we now live. She takes readers with her on her luminous pilgrimage through Siberia, Lapland and Alaska, where reindeer are messengers between heaven and earth, bridges between spirit and nature, and gives us a map of the sacred, nourishing us with unforgettable ideas and inspiration.
