Larson - Duke of Mongolia Frans Larson

Frans August Larson was a Swedish missionary to Mongolia, this is the account of his travels around central Asia. Larson would go on to become a trusted diplomat well versed in the politics and tribal functions common on the border of China and Mongolia. An absorbing account of a young man's travels in this unknown land. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
