The eighteen patterns, most for three sizes (S, M, L), in this book will take your sock knitting in a new direction, literally! Instead of the conventional toe-up or top-down methods, you can now simply knit out from the middle of the sole, up over the foot and on up the leg, with no breaks for the heel and no stitches to pick up. You will view your sock toes in a whole new way when you knit from the ground up!
