The Stars Never Rise Rachel Vincent

From RACHEL VINCENT, *New York Times* bestselling author, comes the first book in a new series about a girl who must join forces with rogue exorcists to save her sister and, ultimately, humanity.

Sixteen-year-old Nina Kane should be worrying about her immortal soul, but she's too busy trying to actually survive. Her town's population has been decimated by soul-consuming demons, and souls are in short supply. Watching over her younger sister, Mellie, and scraping together food and money are all that matters. The two of them are a family. They gave up on their deadbeat mom a long time ago.

When Nina discovers that Mellie is keeping a secret that threatens their very existence, she'll do anything to protect her. Because in New Temperance, sins are prosecuted as crimes by the brutal Church and its army of black-robed exorcists. And Mellie's sin has put her in serious trouble.

To keep them both alive, Nina will need to put her trust in Finn, a fugitive with deep green eyes who has already saved her life once and who might just be an exorcist. But what kind of exorcist wears a hoodie?

Wanted by the Church and hunted by dark forces, Nina knows she can't survive on her own. She needs Finn and his group of rogue friends just as much as they need her.

From reader reviews:

Robin Martz:

Book is written, printed, or highlighted for everything. You can realize everything you want by a e-book. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading proficiency was fluently. A publication The Stars Never Rise will make you to be smarter. You can feel much more confidence if you can know about almost everything. But some of you think this open or reading a book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you seeking best book or suitable book with you?

Kevin Kennard:

Here thing why this kind of The Stars Never Rise are different and reliable to be yours. First of all examining a book is good however it depends in the content than it which is the content is as delightful as food or not. The Stars Never Rise giving you information deeper and in different ways, you can find any reserve out there but there is no e-book that similar with The Stars Never Rise. It gives you thrill reading journey, its open up your personal eyes about the thing that happened in the world which is probably can be happened around you. You can bring everywhere like in park, café, or even in your means home by train. If you are having difficulties in bringing the imprinted book maybe the form of The Stars Never Rise in e-book can be your substitute.

Jennifer Crowe:

Reading a guide can be one of a lot of activity that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people love it. First reading a book will give you a lot of new facts. When you read a guide you will get new information mainly because book is one of various ways to share the information or perhaps their idea. Second, reading through a book will make a person more imaginative. When you reading through a book especially fictional book the author will bring you to definitely imagine the story how the personas do it anything. Third, you are able to share your knowledge to other people. When you read this The Stars Never Rise, you are able to tells your family, friends and soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a reserve.

Mary Young:

Are you kind of busy person, only have 10 or 15 minute in your morning to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short time to read it because pretty much everything time you only find publication that need more time to be read. The Stars Never Rise can be your answer mainly because it can be read by anyone who have those short extra time problems.
