The Sword Bearer (Archives of Anthropos) John White

It was John's birthday. He would be thirteen. And what's more, it was on this day that his grandmother would tell him the mystery of his locket . . . And of his parents. But it was not to be. Before he could find out, he was magically transported to the land of Anthropos where he was startled to be hailed as the Sword Bearer, the slayer of the Goblin Prince. Here, in the imaginative story of the early history of Anthropos, John White captures the excitement and wonder of another world.
