Zen Matrix requires patience to master. That is expected with an effect as powerful as this. Its mastery may well be worth it for when performed for any group of magicians, the reward will be recognition of your capability as a master magician. Experienced magicians will recognize the theories of Al Schneider but will find that knowledge to be a starting point in this book. This book takes new information Al discovered about how the mind works that has not been incorporated into the material over the last fifteen years. In addition, the experienced magician will find Zen Matrix to be a valuable addition to the Classic Matrix concept. This is not a standard book on magic.
