A vital initiative for the Audubon Society, ecotourism encourages people to explore the natural world in a way that leaves the smallest possible footprint—and preserves our environment for future generations.

Audubon Green World celebrates the adventure and possibilities of green travel with a dozen glorious destinations for armchair trekkers. Alaska's stark beauty and geothermal wonders. The extraordinary flora and fauna of Ecuador. India, from the towering Himalayas to the Ganges delta. Each full-color spread is a captivating photographic itinerary, with a large photo at the top of the page and dozens more in the grid below, plus detailed text about the featured location, its wildlife, and distinctive features.
