While camping Jennifer unwittingly stumbles upon a corrupt conspiracy. Only Saul her best friend since childhood can help her unravel the complex plot and keep her safe. When Jennifer Mabbot goes camping in the Forest of Dean for some much needed soul-searching, she had no idea her life was about to take a very drastic turn. Witnessing a strange man burying a wooden box in the middle of the night, she thought it strange but nothing overly noteworthy. Until, that is, she came home to be confronted by two men, clearly intent on hurting her for the whereabouts of the burial site. Turning to the only person she could trust her life-long best friend, Saul Haslen she asks for help and gets more than she could possibly bargain for. Jennifer knows Saul does some sort of Government work, but actually he is an elite member of The Agency. With danger coming from all sides and neither of them fully understanding what s happening, they must work together to uncover the truth. Before, Jennifer would have sworn she knew practically everything there was to know of Saul. But they are both learning more about each other, personally and sexually. Within that intimate knowledge lies the key to both their futures, and lasting happiness."
