Principles and Practices of Teaching English as an International Language (New Perspectives on Language and Education)

Aya Matsuda

Principles and Practices of Teaching English as an International Language (New Perspectives on Language and Education) Aya Matsuda

This book critically examines current ELT practices vis-à-vis the use of English as an international lingua franca. It bridges the gap between theoretical discussion and the practical concerns of teaching English as an international language, and presents diverse approaches for preparing competent users of English in international contexts.
