The Science of Mind Ernest Holmes

You won't find a guide to the science of the mind that is clearer and easier to use than this book. With the power of right thinking you will find that a new, better world awaits you! Earnest Shurtleff Holmes was the founder of the Church of Religious Science. Religious Science, like many New Thought faiths, emphasizes positive thinking, influence of circumstances through mental processes, recognition of a creative energy source and of natural law. Holmes had an immense influence on New Age beliefs, particularly his core philosophy that we create our own reality.
