This exciting four-level course is packed with fun activities. Right from the start, children are fully involved in thinking for themselves, doing things themselves, and making things themselves. The topics in the Pupil's Books encourage children to think about the world around them and, at the higher levels, are linked to other subject areas in the school curriculum. This approach makes language learning more meaningful and memorable. Regular revision pages, and 'I can' sections in the Activity Books allow children to evaluate their own progress, giving them a real sense of achievement. The Songs and Stories Audio Cassette/CD can be used in the classroom or at home and is a fun way of providing extra practice. Delightfully illustrated Vocabulary Cards are also available to practise the target language.
