For the first time, the best work of a distinctive master of American noir is available in authoritative e-book editions from The Library of America. David Goodis experienced a brief celebrity when his novel *Dark Passage* (1946) became the basis for a popular movie starring Humphrey Bogart and Lauren Bacall. The story of a man railroaded for his wife's murder and forced to assume a different identity after escaping from prison becomes in Goodis's hands a lyrical evocation of urban fear and loneliness. Other David Goodis novels available as Library of America E-Book Classics include: *Nightfall*, *The Burglar*, *The Moon in the Gutter*, and *Street of No Return*.
