Mammals come in a huge variety of shapes and sizes, from tiny bats and mice to massive elephants and whales. This first book of mammals introduces a cross-section of often-seen mammals, as well as some of those that are less commonly found. A total of 58 species is presented in full-colour illustrations. Visual clues to each mammal's size, its tracks and what it eats are shown alongside. Written by a mammal specialist, My first book of Southern African Mammals will appeal to young readers, as well as to learners of all ages who wish to improve their knowledge of other languages.
