The Primal Place Robert Finch

From acclaimed author and naturalist Robert Finch, a richly detailed observance of Cape Cod's seemingly vanished natural and human past, as it clings to its present landscape.

This is a voyage of discovery, a personal odyssey into the nature of a single Cape Cod neighborhood. It is a rich portrait, beautifully drawn, of a landscape and a community whose essential character lies in their penetrating interface with the sea. But it is also an individual quest, a journey of the heart and mind in which the author seeks "entrance, or rather re-entrance" into "that vast living maze stretching out beyond my lines of sight."
