Typography for Lawyers Matthew Butterick

"If Matthew Butterick didn't exist, it would be necessary to invent him." **From the Foreword by Bryan A. Garner**

Based on the popular website, **Typography for Lawyers** is the first guide to the essentials of typography aimed specifically at lawyers. Author Matthew Butterick, an attorney and Harvard-trained typographer, dispels the myth that legal documents are incompatible with excellent typography. Butterick explains how to get professional results with the tools you already have quickly and easily. Topics include special keyboard characters, line length, point size, font choice, headings, and hyphenation. The book also includes tutorials on specific types of documents like résumés, research memos, and motions.
