Archvillain #3: Yesterday Again Barry Lyga

YESTERDAY AGAIN is the third book in critically acclaimed author Barry Lyga's Archvillain series!

Kyle Camden, a.k.a. the Azure Avenger, unintentional Bouring archvillain, has a foolproof plan to finally prove that Mighty Mike, unintentional town superhero, is an alien. Kyle's going back in time to the night Mike Mighty showed up on Earth and video tape his arrival. Yet he decides to use the time machine just as something evil has been unleashed on Bouring during the Annual Time Capsule Burial. But Kyle can fix it when he's back, right?

Kyle accidentally overshoots his intended destination, landing in 1987, and burns out his time machine. Things get even stranger when he accidentally befriends his dad at age twelve, meets Sheriff Monroe (his archnemesi in present time) as a teenager, and discovers William Lundergaard lurking around. But Lundergaard isn't any younger. How did he end up in 1987 and why? Kyle better figure it out fast. Because if he doesn't get back to the present immediately, well, there might not be a present anymore!
