Baby to Toddler Month by Month follows your baby's journey from 6 months to 23 months, by which time your child will be a running, talking toddler with attitude and character. This month-by-month guide explains how your baby will be developing and what you can realistically expect to see each month. It covers sleep problems, feeding, development, and much more including:

- baby-led weaning or mixed weaning? You decide – includes step-by- step guides to both methods
- age-appropriate meal plans, finger foods and eating tips month by month
- encouraging your toddler to walk and talk
- when to take your child to the doctor, and spotting an emergency
- dealing with tantrums and attitude... the easy way
- coping with hitting and biting
- milestones – when to worry and when to wait it out.

This book makes toddler behaviour fascinating rather than alarming or overwhelming.
