**When her world is shaken, will her foundation survive?**

Idealistic and sheltered with a passion to change the world, Kaylan Richards leaves her comfortable life in Alabama to serve in poverty-stricken Haiti. Despite her inexperience and the opposition of a voodoo priest, Kaylan develops a love for the country and the Haitian people. But something deadly is about to strike.

It is the worst earthquake the country has ever seen, and in its aftermath bodies, buildings, and broken lives litter the streets. People she cares about are dead, and Kaylan is caught in the middle of the destruction, questioning a God who said He was good.

Navy SEAL Nick Carmichael never planned to find a girl he loved more than his country. Now she is a world away, trapped in a deadly situation nothing could have prepared her for. Can Nick's love help Kaylan heal and show her the God who never abandoned her, or will tragedy shake even the most rooted faith?
