Pre-University Paper from the year 2010 in the subject Theology - Biblical Theology, grade: A+, Prairie Bible Institute, language: English, abstract: After analyzing and evaluating TV, I have to say that unselective watching of TV is contrary to the goal of becoming more like Christ—demonstrated in our love for God and others (discipleship)—and contributes to the trend of declining relationships in family, neighbourhood, and church (community). In this paper I first want to highlight the core of discipleship within community; second, I want to analyze and evaluate TV; third, show the effects it has on us; and finally conclude and suggest a Christian response to TV.
