Adam Silverman Ceramics Lisa Gabrielle Mark, Brooke Hodge, Julie Lazar, Katrina Dickson

Adam Silverman is the face of a new generation of artists focused on ceramics and pottery, a medium that has not had major presence in the contemporary art world for many years. Incorporating traditional pottery techniques with his own experimental approach, Silverman creates works that are sensual, gritty, and beautiful. He uses unique glazes to give his pieces abstract lacy or gestural surfaces. Silverman has exhibited extensively and has a large, growing audience in the United States as well as in Japan, where his work is collected by Tadao Ando and Takashi Murakami, among many others. A breathtaking and informative overview of his work, *Adam Silverman Ceramics* is a landmark volume for all who appreciate ceramics, design, and modern sculpture as well as contemporary art.
