From the author of *The Game of Work* comes a new guide to building better and more profitable companies by building better leaders. In his new book, Chuck Coonradt reveals the secrets to becoming a "better people leader," someone who is always focused on the growth of his or her people. Better people leaders overcome the lazy manager mentality ("I shouldn't have to hold these people's hands") and embrace an active manager mentality ("I am ultimately responsible for the performance of this team"). They take an active role in the improvement of their employees. They encourage growth and create an environment in which it can freely happen. Find out how to motivate, inspire, empower, and lead your teams to greatness-greatness they didn't know they had, greatness that even surpasses that of their better people leader!
