Cherish the Land: Lang Downs, Book 5 Ariel Tachna

Seth Simms never wanted to be a cowboy, although to listen to his best friend, Jason Thompson, tell it, he isn't one. He just happens to have lucked out in coming to live on Lang Downs with his brother 10 years ago. He found enough stability to finish high school and go off to university, but he never really believed Lang Downs would be the same haven for him that it had become for so many others. He's too messed up in the head. No one would accept someone with his issues.

All his life, Jason has had one goal: to come home to Lang Downs as a resident veterinarian when they need his skills and jackaroo when they don't. And it means he gets to spend time with Seth during his occasional visits, even though his dream of going from friends to lovers is hopeless since Seth is straight.

When Seth unexpectedly comes home to stay, Jason takes it as the boon it is. But juggling a relationship with another jackaroo and his friendship with Seth isn't easy, and that's before Jason realizes how deep Seth's issues run and how dangerously Seth chooses to cope with them.
