**Et la Vie Continue (French Edition)** Francisco Candido Xavier

À travers un récit émouvant, André Luiz nous narre l'histoire de deux personnes gravement malades qui se rencontrent lors de leur entrée dans un établissement de soin. Quelque temps plus tard, ils se retrouvent, mais cette fois, dans un hôpital du Monde Spirituel. Peu à peu, ils découvrent comment est la vie après la mort, et comprennent qu'il existe entre eux des liens plus forts que ce qu'ils pouvaient imaginer. Personnes réelles qui ont beaucoup en commun avec chacun d'entre nous, ils nous montrent comment les expériences du passé et notre propre attitude mentale déterminent la réalité que nous rencontrerons après la mort du corps. Des amis désincarnés les encourageront à transformer leurs anciens comportements au moyen de l'étude et du travail, et avec leur aide, ils analysent leurs parcours respectifs et déchiffrent les intrigues du passé, ce qui leur permettra de tracer de nouveaux plans pour l'avenir. De manière captivante, cet ouvrage nous enseigne avec douceur à ne plus redouter la mort, car à n'en pas douter, la vie continue...
