The Blink that Killed the Eye Anthony Anaxagorou

The Blink That Killed the Eye is a stunningly crafted debut short story collection, taking a poetic torch to the shadows of daily life - illuminating the characters, situations, emotions and dilemmas that pour into even the most ordinary existences. From building sites to prison cells; from the birth of love to the last moments of breath - Anthony Anaxagorou navigates expertly through the tangled nets of invisibility, desperation and power to bring us time-defining tales of tragedy and hope; commenting on the irony of our shrinking capacity to really see ourselves or each other in a world increasingly defined by appearances and dangerous preconceptions.
