Craig A Rimmerman

The Lesbian and Gay Movements: Assimilation or Liberation? (Dilemmas in American Politics) Craig A Rimmerman

Throughout their relatively short history, lesbian and gay movements in the United States have endured searing conflicts over whether to embrace assimilationist or liberationist strategies. *The Lesbian and Gay Movements* explores this dilemma in both contemporary and historical contexts. Rimmerman tackles the challenging issue of what constitutes movement "effectiveness" and how "effective" the assimilationist and liberationist strategies have been in three contentious policy arenas: the military ban, same-sex marriage, and AIDS.

Since the first edition in 2007, the landscape of lesbian and gay movements and rights has seen enormous changes. The thoroughly revised second edition includes updated discussion of LGBT movements' undertakings in, as well the Obama administration's response to, HIV/AIDS policy, the fight to legalize same-sex marriage and overturn the Defense of Marriage Act, and the repeal of "Don't Ask, Don't Tell."
