## **Verdi With a Vengeance: An Energetic Guide to the Life and Complete Works of the King of Opera**

William Berger

Everything you could possibly know about Verdi and his operas, from the brilliant and humorous author of **Wagner Without Fear**.

If you want to know why **La traviata** was actually a flop at its premiere in 1853, it's in here. If you want to know why claiming to have heard Bjorling's Chicago performance of **Il trovatore** is the classic opera fan faux pas, it's in here. Even if you just want to know how to pronounce Aida, or what the plot of **Rigoletto** is all about, this is the place to look. From the composer's intense hatred of priests to synopses of the operas and a detailed discography of the best recordings to buy, it can all be found in **Verdi with a Vengeance**. William Berger has given another improbable performance, serving up a book as thorough as it is funny and as original as it is astute, an utterly indispensable guide for novice and expert alike.

*From the Trade Paperback edition.*
