Veronika Decides to Die Paulo Coelho

Twenty-four-year-old Veronika seems to have everything -- youth and beauty, boyfriends and a loving family, a fulfilling job. But something is missing in her life. So, one cold November morning, she takes a handful of sleeping pills expecting never to wake up. But she does -- at a mental hospital where she is told that she has only days to live.

Inspired by events in Coelho's own life, *Veronika Decides to Die* questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Bold and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.
