*Edward Bond*

## **Coffee (Modern Plays)** Edward Bond

A young man alone in a room. A stranger enters. Together they journey into a dark forest...

*Coffee* centres around the death of a child and asks disturbing questions about the history of the twentieth century through an examination of what constitutes "acceptable" behaviour towards children in our time. Edward Bond is "a great playwright - many, particularly in continental Europe, would say the greatest living English playwright." (*Independent*)
