El traidor del siglo (Endebate) (Spanish Edition)

John Le Carré

El traidor del siglo (Endebate) (Spanish Edition) John Le Carré

En *El traidor del siglo*, John Le Carré, casi como un simple reportero, trata de explicar las razones que llevaron al general suizo Jean-Louis Jeanmarie a convertirse en traidor y pasar información clasificada a diferentes agentes del servicio de inteligencia soviético durante la guerra fría. Este hecho real, que protagonizó las primeras planas de los periódicos en 1975, le supuso al general una condena a dieciocho años de cárcel por alta traición. La prensa suiza le consideró "El traidor del siglo" y, antes del proceso, el presidente de la Confederación Helvética reclamó para él todo el peso de la justicia. En el transcurso del texto, Le Carré se irá planteando preguntas que no encuentran respuesta en los acontecimientos y levantará una serie de dudas razonables que le llevan a pensar si Jeanmarie no sería nada más que el chivo expiatorio de una traición que oculta a un espía más importante.

"De la pluma de Le Carré el lector puede contemplar con fascinación cómo el relato, en su despliegue, va convirtiendo en literatura todo aquello que toca."
