## **Luann: The Teens They Are a-Changin' (UDig)** Greg Evans

In this e-book original, *The Teens They Are a-Changin'*, strips from the popular cartoon strip *Luann* reflect the ups and downs of being a teen-age girl. Luann's transition into womanhood is interrupted by her friend Bernice's unexpected makeover, which attracts the attention of every guy in school. Bernice, once jealous of Luann's maturity, turns the tables, leaving Luann jealous of her once socially awkward friend's newfound confidence. In an unexpected turn, the high school rumor mill churns out gossip that Luann is going to have plastic surgery, which Gunther misinterprets as brain surgery. After the rumor is expelled, Gunther, caught up in all the hubbub of appearances, dons a "manlier" look. Brad gets his head shaved at Diane's request while Luann's dad adjusts to his wife's new look. Featuring funny and revealing behind-the-scenes commentary by creator, Greg Evans.

Readers of all ages love *Luann*, a strip about the trials of becoming a young adult. Known for its rich characters and intriguing "what will happen next" storylines, *Luann* enjoys a reader loyalty rare on the comic page, consistently ranking among the top five in reader surveys. Greg Evans was voted Outstanding Cartoonist of the Year in 2003 by the National Cartoonists Society, partly for his efforts in holding up *Luann* as a fine example of the positive power comic strips can have. "My aim is to touch readers' hearts as well as their funny bones," says Evans, who's humorously touched on serious issues such as peer pressure, drugs, alcohol and young love. "Adolescence is a very funny time—except when you're in it."
