When his parents are asleep and the gate to his crib is securely locked, that's when Thatababy really shines. His nightly solo concerts feature everything from country to classic rock, disco to doo-wop, and more often than not leave his mom and dad singing the blues. Thatababy is the infant born too busy to sleep, and through air guitar lessons, impromptu Van Halen dance parties, and other musical adventures with Mom and Dad, he's well on his way to becoming the world's most sonically sophisticated baby.

*Thatababy Rocks Out* is a funny and visually captivating e-book only collection of comic strips about life from the perspective of an infant with the uncanny ability to keep his parents on their toes. A finalist in Amazon's Comic Strip Superstars contest, it is the brainchild of Paul Trap, a freelance computer graphics illustrator and editorial cartoonist for *Baseball America* magazine.
