The Dawn from on High: A Jesus Story Volume I Anne M. Dudley

The story of Jesus' life has remained somewhat, an unknown mystery forever frozen in the perspective and story told to us by the first Christian Council of Nicea of 325 A.D. (C,E,) The Christian Church has maintained this perspective for 1800 years. Sadly, since the founding of the Christian faith, nothing about the life events of Jesus has changed, and it remains encased in the rigid perspective of the men who established it. However, today new discoveries have emerged. The 21st century Christian does not need to maintain this sad and only perspective they inherited. We no longer are confined to just the canonical information found in the Gospels. I've written his life story written for the 21st century reader. I have not written this information casually. My endeavor was guided by a principle referred to as the Halakic Principle which is an ancient rabbinic discipline, incorporating 'both/and' rather than only 'either/or'. Because I believe that Jesus meant what he said, "Ask, and it will be given you; Seek, and you will find; Knock and the door will be opened to you," I learned far more than I ever dreamed! I hope you will have the courage to read about this fascinating and remarkable man from the first century called Jesus. It will not be like anything you have learned but I challenge you to read all of The Dawn From on High.
