The Sorcerer's Dragon C D Muller

When a demonic entity known only as the Sorcerer breaks free from the gates of Oblivion, he seeks out an ancient relic known only as Ragnarok, foretold by the prophecy that it would give him the power to take over the empire of Armageddon and to recreate the universe.

The empire's last ray of hope, Selena Ayladail, a fourteen year old girl with no memory of her past, begins to uncover the secrets behind Ragnarok while also researching the strange symbol on her left hand that she has had for as long as she can remember. However, what she unravels places her life in danger.

Throughout her adventures, she befriends an extraordinary dragon who she names Thor. As she and Thor adventure across the empire, Selena unravels the truth behind Ragnarok, her gift with magic, and experiences first-hand the true wickedness of the Sorcerer.
