Relation patients-médecins : des professionnels de la santé racontent

Une parole autour de ce que l'auteur - un médecin généraliste - a de plus intime?: l'amour de la vie, l'amour des hommes et des femmes qu'il croise, un certain point de vue sur le bonheur...

Par petites touches, ce récit tendre, émouvant, drôle, réaliste, nous ouvre à l'humanité de l'autre, qu'il soit soignant ou patient. Il nous raconte l'essence même d'un métier que certains disent en perdition.

À lire... À offrir... À méditer... mais sachez-le?: vous ne regarderez plus jamais la médecine ni les médecins comme avant?!

EXTRAIT

Ce matin, j'ai découvert un perce-neige, inattendu, une vraie merveille. Ses clochettes paraissent surprises de se retrouver là, dans l'enclos givré que leur forment les dernières croûtes de neige qui luttent contre un pâle soleil. On se prend à guetter l'appel lointain des oies rieuses qui se rassemblent dans les lagunes en attendant que les souffles printaniers les poussent plus au nord, ou le chant de la sarcelle amoureuse appelant au renouveau. En pinçant avec deux doigts un fragment de leurs délicates enveloppes, la main s'assure de la réalité de tant de douceur inespérée hier encore, quand le vent nocturne faisait claquer les volets dans leurs rails.
