Experience an underwater adventure! From sea dragons to octopuses, from coral reefs to kelp forests, from predators of the sea to animal defenses, the Undersea Encounters series takes young readers to ocean depths like never before. The series has been praised by the National Science Teachers Association for its "fabulous images" and for its potential to "spark a deeper interest in marine science." More than any other series, Undersea Encounters paints a complete and fascinating picture of the marine environment. A natural fit for the 3rd to 5th grade curriculums. Each book has been vetted by a recognized expert in that particular field. Includes quick facts, sidebars, glossary, index, and a bibliography of books and websites for further learning.
