On the south coast of Kent lies a shingle beach like no other in England. Resting on the endless stretch of pebbles and cobbles one will find nets and ropes, small huts, towing gear and boats - lots of fishing boats, old and new. It is a mystical place, alluring to the uninitiated explorer and inviting to the many visitors who come to fish on the beach and enjoy the solitude of this sparse landscape. This is Dungeness. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
