## **Pink Floyd's The Piper at the Gates of Dawn (33 1/3) John Cavanagh**

Through a series of interviews with a wide range of people connected to Pink Floyd in their earliest days (including Nick Mason, Peter Jenner, Jenny Fabian, Storm Thorgerson, Duggie Fields and Peter Whitehead), John Cavanagh paints a vivid picture of how this remarkable debut album was created. He brings to life the stories behind each track, as well as Pink Floyd's groundbreaking live performances of the time.

### EXCERPT

The Piper at the Gates of Dawn is a wondrous creation often seen through the distorted view of later events. These things have served to overshadow the achievement of The Pink Floyd on their debut album: an outstanding group performance; a milestone in record production; and something made in much happier circumstances than I had expected to find...This is not another book about "mad Syd". This, instead, is a celebration of a moment when everything seemed possible, when creative worlds and forces converged, when an album spoke with an entirely new voice. "Such music I never dreamed of," as Rat said to Mole.
