"If Christ has not been raised, your faith is futile; you are still in your sins" (1 Cor. 15:17).

The resurrection. As far as doctrines go, it's a game changer. Many accept the resurrection without giving it much thought. But isn't something so important worthy of our wrestling with it? What if we approached the issue of the resurrection in an unbiased manner and assessed it as a cold case detective would evaluate a crime scene? Author J. Warner Wallace is a cold-case detective. He also used to be an atheist. Follow along in this brief presentation of his approach in applying his detective's expertise to the accounts of the resurrection. Wallace believes the case is nothing but compelling: Jesus is alive!

Available in packs of 10 booklets, this is a wonderful resource for churches and individuals to share at anytime and throughout the Easter season.
