Bloomsbury Curriculum Basics: Teaching Primary French Amanda Barton, Angela McLachlan

This book is closely tied to the new curriculum, with extracts from the curriculum itself and lesson plans and teaching ideas for every area.

This book will equip non-specialists to confidently deliver engaging and well-informed lessons, that account for the changes in the National Curriculum.

This is a very practical and easy to apply programme for teaching French either in your own classroom, or to implement across the school in the role of a co-ordinator.
