Flesh to Flesh Lee Hayes

From award-winning author Lee Hayes -- an erotic exploration into the lives of African-American gay men and their desires for love and acceptance.

Unapologetically raw in its approach to the sexual lives and happenings of African-American gay men, *Flesh to Flesh* is a gritty, pulsing view into a demographic that is often demonized and condemned. These stories provide a rare, true revelation of how gay men are faring in an age where sensuality is a major factor in everyday media and consciousness.

What do gay men feel about life, love, relationships, and intimacy? For anyone who has wondered about the passion between two men, this explosive, sexually charged anthology peels back the layers to show what lies beneath modern stereotypes and homophobia.

With contributors such as Lee Hayes (*Passion Marks*, *A Deeper Blue* and *The Messiah*), L.M. Ross (*Manhood* and *The Long Blue Moan*), and Dayne Avery (*I Wrote This Song*), the stories in *Flesh to Flesh* reveal deep emotions and a powerful commitment to life and love.
