*Bill Maher*

**The New New Rules: A Funny Look at How Everybody but Me Has Their Head Up Their Ass** Bill Maher

**From bestselling author and host of HBO's *Real Time*, Bill Maher's new book of political riffs serves up a savagely funny set of rules for preserving sanity in an insane world**

A follow-up to the *New York Times* bestselling *The New Rules*, *The New New Rules* delivers a series of hilarious, intelligent rants on everything from same-sex marriage to healthcare, from Republican agendas to celebrity meltdowns, with all the razor-sharp insight that has made Bill Maher one of the most influential comedic voices shaping the political debate today. With another presidential campaign on the horizon and a stellar set of real-life characters to have fun with—"New Rule: If Charlie Sheen's home life means he can't have a TV show, then I say Newt Gingrich can't be president"—this enlightening and important book may be the best thing you pretend to read all year.
