**Clinical Practice Guidelines For Midwifery & Women's Health** Nell L. Tharpe, Cindy L. Farley  
Clinical Practice Guidelines for Midwifery and Women's Health is an up-to-date, quick reference guide to midwifery and the care of women. This text presents a compilation of current practices that include evidence-based, traditional, and empiric care from a wide variety of sources. Each Guideline moves through problem identification and treatment using a standardized format for day-to-day clinical practice with diverse populations. Designed as a working practice tool that will reflect your individual practice, the Guidelines may be customized further with dated and initialed written additions, deletions, or use of a highlighter.
