The Doldrums Nicholas Gannon

“A dreamy charmer of a book, full of clever wordplay that practically demands it be read out loud.”—*New York Times*

Have you ever wanted to hold a little piece of the impossible? Lavishly illustrated in full color, *The Doldrums* is an extraordinary debut about friendship, imagination, and the yearning for adventure from author-artist Nicholas Gannon. A modern classic in the making, *The Doldrums* is for readers of inventive and timeless authors such as Brian Selznick and Lemony Snicket.

Archer B. Helmsley wants an adventure. No, he *needs* an adventure. His grandparents were famous explorers . . . until they got stuck on an iceberg. Now Archer’s mother barely lets him out of the house. As if that would stop a true Helmsley. Archer enlists Adelaide—the girl who, according to rumor, lost her leg to a crocodile—and Oliver—the boy next door—to help him rescue his grandparents. *The Doldrums* whisks us off on an adventure full of sly humor, incredible detail, and enormous heart.

With approximately twenty pieces of breathtaking full-color artwork, as well as black-and-white spot illustrations, and gorgeous, literary writing, Nicholas Gannon proves himself to be a distinctive new voice with his middle grade debut. Be in it for the limitless imagination. For the characters who capture your heart. For the rich world you’ll want to settle into. But most of all, be in it for the friendship. That, after all, is the true adventure.

From reader reviews:

John Bullen:

Information is provisions for folks to get better life, information currently can get by anyone on everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is in the former life are challenging be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take The Doldrums as your daily resource information.

Victor Shepard:

Reading a book tends to be new life style within this era globalization. With reading through you can get a lot of information which will give you benefit in your life. With book everyone in this world may share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or maybe their experience. Not only the storyline that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some exploration before they write to the book. One of them is this The Doldrums.

Michelle Pacheco:

Reading can called brain hangout, why? Because while you are reading a book especially book entitled The Doldrums the mind will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely will become your mind friends. Imaging each and every word written in a publication then become one form conclusion and explanation which maybe you never get prior to. The The Doldrums giving you another experience more than blown away your brain but also giving you useful details for your better life with this era. So now let us explain to you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

Jaime McKenney:

This The Doldrums is brand-new way for you who has attention to look for some information because it relief your hunger details. Getting deeper you onto it getting knowledge more you know or else you who still having small amount of digest in reading this The Doldrums can be the light food in your case because the information inside this particular book is easy to get by simply anyone.
